

Madanyakanahalli Gram Panchayat - Chitradurga Taluk

Gram Panchayat Progress Report, 2023 to 2025

Madanyakanahalli Gram Panchayat signed an MoU with Anode Governance Foundation on 29th September 2022, embarking on a journey to strengthen its institution. All Ward members jointly took this decision and are signatories to this MoU. This Progress Report provides an overview of the status of Madanyakanahalli Gram Panchayat across 9 key components of an effective GP, facilitated through Anode's Organisation Mapping tool. The report is based on a self assessment exercise conducted individually with each ward member, followed by a workshop with all members to collectively rate their GP. Each component is rated on a 4-point scale. The report includes actions and achievements during 2023 and 2024, as well as potential areas for improvement.

Out of 9 components, the GP has prioritised and actively focussed on 4 foundational components, viz. Identity and Vision, GP Structures, Service Delivery and Coordination between GP and Gram Sabhas. Enabled with higher participation of its members and achievements across the 4 components, the GP plans to work on other components.

The report also highlights some key actions and achievements of the Madanyakanahalli GP in areas like Education, Health, Sanitation and Social Forestry, Infrastructure, Water, and Social Security.

Overall, the report provides a comprehensive overview of the Madanyakanahalli Gram Panchayat's progress and areas for further development. The document contains two annexures: 1) Ward-wise service delivery ratings and 2) Thematic areas and goals prioritised by the GP.

Vision Statement of the GP

“The goal of Madanayakanahalli Gram Panchayat is to provide quality education to all children of eligible age within the Panchayat area, in partnership with the community, while ensuring proper sanitation through the establishment of an effective drainage system.”

| | Theme 1: Education | 26 Schools, 11 GP - SDMC meetings |
| | Theme 2: Health | 4 Health Camps, 7 VHSNCs |
| | Theme 3: Sanitation | 63 villages covered, 5 SWM units functional |
| | Theme 4: Drinking Water | 45 RO Water Filters repaired |

D. Some Actions and Achievements of Madanyakanahalli GP

Issues relating to disrepair of school buildings, Mid-Day Meals, compound walls, drains, streetlights etc were discussed and identified during different project steps and forums: GP Profiling, CEP and CAG meetings, PF meetings, Exposure visits, SDMC meetings and during discussions in GBMs etc.

While ensuring ownership of action was with the GP, Anode field staff provided hand holding support to ward members through a) providing nudges and reminders, 2) negotiating with key stakeholders, especially the community, 3) ensuring petitions are placed in GBMs, d) access to functionaries in department/block offices, and e) providing information of programmes and schemes, etc.

Education [LSDG: Child friendly village]

1. The play ground of Madanayakanahalli GHPS needed to leveling. This issue was raised in CAG and a petition was submitted to the GP, who leveled the ground using Own Source of Revenue funds
2. To ensure that all students in the GP have clean drinking water, the GP installed RO Water Filters in all 6 schools and 4 anganwadis of the GP using Own Source of Revenue..

Health [LSDG: Healthy village]

3. General Health Screening camp was conducted in Madanayakanahalli Village on 15th August 2024, in collaboration with the local PHC.
4. Health Awareness Camp on Prevention of Dengue was conducted on 9th August 2024 in Madanayakanahalli Village

Sanitation and Social Forestry [LSDG: Clean and Green village]

5. Cemetery for the SC-ST Community in Chikkapanahalli was cleaned by clearing wild shrubs using funds from 15th FC. This was based on a discussion in CEP and the issue being raised in GBM.
6. The drainage near the GP Office would overflow during heavy rains resulting in sewage water logging on the roads in front of the neighbouring houses and the GP Office. This issue was resolved by clearing the debris in the drainage and constructing a duct over it.
7. In Rummagatte village, a site was allocated to the economically backward citizens under Ashraya Niveshana Yojane. To ensure ease of accessing the land, the GP cleared the jungle in and around the area.

Infrastructure [LSDG: Self Sufficient infrastructure]

8. Drains were constructed based on demands from the citizens through CEP and CAG meetings in Papenahalli and Chikkappanahalli villages
9. Check dam was constructed in Chikkappanahalli villages using MGNREGA funds based on the community's demand to increase rain water conservation

Water [LSDG: Water sufficient village]

10. Improving supply of clean water by repairing the RO Water filters, pipelines for water supply and motor for supplying drinking water in the following villages using funds from 15th FC.
- Papenahlli
 - Rayannanahalli
 - Sultanipura
 - Chikkappanahlli
 - Madanayakanahalli

Social Security [LSDG: Socially Secured village]

11. In collaboration with Association for People with Disabilities (APD), the GP has provided disability aids like tricycles and hearing aids, as well as livelihood development support like providing sheep for cattle rearing.
12. A 6-month long camp for training on tailoring was conducted through Jana Seva Sangha for SHG Members was conducted by the GP to improve livelihood opportunities for the women of the GP.
